

FOR IMMEDIATE RELEASE

Winners announced for the 2021 Georgie Awards®

BURNABY, BC (March 20, 2021) – The Canadian Home Builders' Association of British Columbia (CHBA BC) is pleased to announce the winners for the 2021 Georgie Awards®.

Open to all CHBA BC member companies in B.C., the awards celebrate excellence in home building and renovation in the residential construction industry.

To be eligible for a Georgie Award®, members submitted entries that were built, renovated, developed, created and/or marketed during the period of January 1, 2019 - September 30, 2020. The finalists and winners were selected by a panel of out-of-province industry professionals.

“Congratulations to all the finalists and winners at the 29th Georgie Awards. Amid the challenges we all faced in 2020, the winners exemplify an outstanding commitment to the home building industry and their customers. Building through adversity, the winners have designed, renovated, and built new, beautiful homes from Fernie to White Rock. They have achieved well-deserved recognition and can be proud that they have built for their customer, a Georgie award-winning home,” said Neil Moody, CEO of the Canadian Home Builders' Association of British Columbia.

The 29th Annual Georgie Awards® Gala was held virtually on March 20, 2021 in Vancouver.

-30-

About the Georgie Awards®

The Georgie Awards®, Canada's premier housing awards program, are produced by the Canadian Home Builders' Association of British Columbia (CHBA BC). For the past 29 years, the Georgie Awards® have showcased the high quality and calibre of British Columbia's home building and renovation community. The Awards are provincial in scope and highlight the commitment and dedication to the building excellence and high standards that CHBA BC member companies strive to uphold.

About the Canadian Home Builders' Association of BC

The Canadian Home Builders' Association of BC is the leading advocate of the residential construction industry in British Columbia representing more than 2,100 members through an affiliated network of eight (8) local home building associations located throughout the province. The industry contributes over \$25 billion in investment value to British Columbia's economy creating 213,000 jobs in new home construction, renovation, and repair making it one of the largest employers in British Columbia.
