A MESSAGE FROM PREMIER JOHN HORGAN

As Premier of the Province of British Columbia, I extend my warmest greetings to everyone viewing and participating in the Canadian Home Builders' Association of British Columbia's (CHBA BC) 29th Annual Georgie Awards Gala.

The Georgie Awards are an opportunity to recognize and showcase excellency in the residential home construction and renovation industry. Despite the challenges over the past year, CHBA BC members across the province have continued to renovate and build new homes for British Columbians, demonstrating an impressive commitment to safety, tenacity and innovation.

While current festivities may look a little different, virtual galas like this offer us the opportunity to come together at a distance to celebrate success. Tonight's Georgie Awards honour the determination and creativity of CHBA BC members who have gone above and beyond in a wide variety of categories, from Excellence in Housing Affordability to Best Environmental Initiative. This year's award winners join a long list of industry professionals who have made an indelible mark on not only their industry, but on the province as a whole. Congratulations to you all! Your hard work and dedication is well deserving of this recognition.

Please accept my best wishes for a wonderful gala and your continued success!

A handwritten signature in blue ink that reads "John J. Horgan".

HONOURABLE JOHN HORGAN
Premier of British Columbia

A MESSAGE FROM THE HONOURABLE DAVID EBY

Whether this is your first or your 29th time at the Georgie Awards, this year's virtual celebration is like no other. I would like to thank everyone who works in the residential construction and renovation industry for your extraordinary efforts over the past 12 months.

Responding to the housing crisis faced by many across our province will demand innovation, patience, experimentation and enthusiasm from developers, governments and local communities. The best of the best of your industry who demonstrate these values will be recognized in in this year's Georgie Awards.

I look forward to continuing working with you and your award-winning innovation and enthusiasm to build desperately needed affordable workforce and family housing across our province. Together we will positively transform the provincial discussion about housing, and the reality of finding safe and affordable housing for thousands of families and individuals.

For this awards show, and generally, British Columbians and the development industry are dependent on each other for success. Congratulations to all of tonight's nominees and finalists. May this be just the start of your success working with British Columbians.

Sincerely,

HONOURABLE DAVID EBY

Attorney General and Minister Responsible for Housing

PRESIDENT WELCOME MESSAGE

Congratulations to all of the nominees and winners of the 2021 Georgie Awards! Seeing the project finalists for this year brings me great pride and honour as I step into my new role as the President of CHBA BC.

Having been involved with the association provincially and locally for many years, I know first hand the commitment each and every single member has to upholding building excellency in every possible aspect. Nothing reflects that more than tonight's annual event. Because of this, and the incredible support from CHBA BC and its local association staff, as well as its sponsors, the groundwork has been laid for me to continue the successes of Joe Hart's presidency and lead our industry during these challenging times.

So, a big thank you to all the members for your continued participation and enthusiasm in our professional industry. CHBA BC is only as strong as our membership, and I will continue to turn to all of you for inspiration and direction on how to ensure the residential construction industry continues to remain vibrant, resilient, innovative and relevant to housing needs. Let's keep pushing forward. Let's keep building our industry and the future of British Columbia.

Good luck to all the finalists tonight. I look forward to the day I can share a toast with all of you and celebrate our successes together.

Yours truly,

A handwritten signature in black ink, appearing to read 'Alex Tavuchis', with a stylized flourish at the end.

ALEX TAVUCHIS

President

Canadian Home Builders' Association of BC

MESSAGE FROM THE CEO OF CHBA BC

Welcome to the 2021 Georgie Awards virtual gala. This year is the second time in this virtual format. We certainly miss seeing members and guests in person and their first-hand excitement as they anticipate the winners' announcement. We do look forward to a return to our award-winning event in person, hopefully, next year.

This year's 1980's theme brings back some great and not-so-great memories. It was a period of MTV, Solid Gold, waterbeds, big hair and those less than flattering mullets. It was a decade when Wayne Gretzky would win four Stanley Cups with the Edmonton Oilers and collect 212 points in one season. In tennis, players like John McEnroe were still using wood racquets.

Mario Bros. and Tetris were the decade's two best-selling and most popular video games. Space Invaders was the first killer app, and Pac-Man was the decade's highest-grossing arcade game. Home computers in that decade included the Commodore 64, VIC-20, the Apple II series (I had one). VisiCalc was the leading business calculation software before being purchased by Lotus 1-2-3.

The '80s was also the decade that saw the incorporation of the Canadian Home Builders' Association of BC (in 1984), and at the end of the decade, the first Georgie Awards were still two years away.

Tonight we have 51 categories to celebrate, and I want to congratulate all those who have taken the time and committed resources to submit entries in this year's Georgie Awards. Your participation is what makes this all worthwhile, and it is an excellent opportunity to showcase your projects.

Good luck to all the finalists!

Sincerely,

A handwritten signature in black ink, appearing to read "Neil Moody".
